

# Agustin Benitez

---

Wichita, KS | (316) 209-8669 | [anbenitezvera@shockers.wichita.edu](mailto:anbenitezvera@shockers.wichita.edu)

## Education

Wichita State University, Wichita, KS

Bachelor of Cybersecurity (Expected: May 2027)

Colegio Internacional, Asunción, Paraguay | High School Diploma (Nov 2022)

GPA: 4.94/5.0

## Professional Experience

Enterprise Customer Service Intern | Bank GNB, Asunción, Paraguay | Summer 2023

- Provided customer support, assisted with account setup, and verified transaction signatures.

Building Manager | Rhatigan Student Center, Wichita State | Aug 2023 – Aug 2024

- Managed guest assistance, room orders, and supply inventory.
- Ensured a clean, safe environment and reported hazards.

Student Assistant - Information Security | Wichita State University | June 2024 – Present

- Conducted phishing analysis using KnowBe4, enhancing cybersecurity awareness across campus.
- Assisted with incident response, malware analysis, and digital forensics investigations.
- Generated detailed reports and improved efficiency in Microsoft Defender through KQL queries.
- Developed OSINT techniques and automated workflows using PowerShell and Python.
- Collaborated with security analysts to track phishing campaigns and identify network vulnerabilities.

## Cybersecurity Projects

Capture the Flag (CTF) Participation

Competed in the National Cyber League (NCL), solving challenges in cryptography, OSINT, network traffic analysis, and web exploitation, improving problem-solving and technical skills.

Virtual Malware Analysis Lab

Designed and deployed a virtual lab environment using Kali Linux, configured to safely analyze and reverse-engineer malware.
